Sub: Tentative action plan for coverage of NC habitation during the 2012-13.

Ref.: Minutes of the review meeting held on 23/04/2012 taken by the Hon'ble Chief Minister, Govt. of Tripura in the conference hall of DM Office, Khowai district.

Sir,

In the aforesaid review meeting, it was decided to prepare an action plan to cover 80 nos. of NC habitations within Khowai district in to FC status in respect of quantity wise. Accordingly, a tentative action plan has been prepared from this office and enclosed herewith for favour of according approval from the competent authority so that the same may be communicated to all concerned at an early date.

In the tentative action plan, target for few NC habitations has been considered as PC since those habitations will only be covered with spot sources due to non availability of road and power facility. If road & power facility is extended, those habitations can be covered with pipe line and subsequently those will be considered as FC.

It has also been decided in the meeting that priority should be attached for implementation of the action plan enclosed herewith. The copy of the minutes of the meeting is also enclosed herewith for favour of your ready reference.

So you are now requested kindly to communicate your approval on the tentative action plan so that necessary implementation can be started immediately.

Encl: As stated

Yours faithfully

(N.P.CHAKRABARTI)
