**Tour Note in connection with visit of the Hon'ble Minister of Revenue, PWD and Minister for Fishery of Tripura to the construction site of Kakrachera and Nona cherra road on 26.12.2012.**

The Hon'ble Ministers for Revenue and Fishery Presided over a public meeting in the Kakracherra ADC village where the line department officers were present. The local people of Kakracherra and Nonacherra ADC villages were raised following demands and the related Department Officers are hereby requested to take necessary action as decided in the said meeting and to send report regarding action taken by 15<sup>th</sup> January-2013 to the undersigned.

**1) In relation to Kakracherra Village:**

Sl. No.	Issues	Action required by
1	<b>Electricity</b> - Fund of Rs. 24 lakhs have already been placed to the Deputy General Manager, TSECL, Teliamura and he had already completed the work up to Kakracherra ADC village. Additional fund for Rs.22 lakhs was required and fund requisition was sent to the Hon'ble M.P.(RS) Smt. Jharna Das Baidya, so accordingly she has released fund for Rs.10 lakhs and the same has been placed to the DGM, Teliamura.	DGM, Teliamura may complete the work extending in 2 phases up to Kakrachera by <b>15<sup>th</sup> Jan,13</b> as directed by the Hon'ble Minister.
2	<b>Drinking Water</b> - The Chairman of the Kakracherra ADC Village requested that supply of drinking water through Tanker should be continued for this dry spell twice daily. The MDTW that have been created in recent time, have not gain acceptability due to high Iron content. Executive Engineer, DWS mentioned that Iron content shall be brought down, if they are regularly utilise.	BDO, Mungiakami shall issue a direction to all villages where MDTW and Mark-II have been recently constructed, that water shall be pumped out for at least 2 times a day so that Iron content is reduced and people shall be encouraged to use the water that shall be reduced of tanker. Also Executive Eng. DWS, shall be identified area that are located presently proposed electric line so that they can be converted from M-II to SBDTWs and pipeline can be extended through after.
3	<b>Road</b> - There was demand of brick soling road from Tirthamani para to Bilaiham para and Chandmani Reang Para.	BDO, Mungiakami to prepare an estimate for brick soling road and send the same to the office of the DM & Collector, Khowai.
4	<b>Ration Card</b> - It was reported that in both Nonacherra and Kakrachera ADC villages many names that are presently recorded in the ROR have already shifted to outside the villages. This correction should immediately be made.	BDO, Mungiakami shall report regarding the vicinity of ROR entries and shall take action for removal of the same immediately.
5	<b>School Education</b> - The functioning of Bahadur Sardar para JB School was still found to be deplorable.	DEO, shall take immediate action for transferring the arrant teachers and placing motivated teacher to the said school with direction to take class in the newly constructed building. He shall also take new construction in Bahadur Sardar Para JB School.

2. Issues related to Nonacherra ADC Village was discussed as below:

Sl. No.	Issues	Action required by
1	<b>ICDS Centers</b> - There was demand put for 2 new ICDS Centers at Nabajoy para and Karnaram Reang para.	Found is available with the District, the same shall be placed to BDO for take up construction. Director, SW & SE shall be communicated regarding the new AWC for same.
2	<b>School Education</b> – Quality of Mid-day-meal scheme in the 3 Pry. Schools located at Nonacherra ADC village was reviewed and found to be not up to satisfaction. There were with axe where not being served to the children. Also there are complaint regarding the attendance of the teachers.	DEO, may enquire the matter and send action taken report .
3	<b>Ration Card and PDS</b> – The distribution of Ad-hoc BPL Rice was discussed and found satisfactory. However, the issue of persons whose names appeared in the ROR but were physically not staying in the village which should be removed.	BDO, to send a report as mentioned in the points.
4	<b>Drinking Water</b> – There was demand for creation of non-conventional using tunnel the streams in Nonacherra. 1 out of 5 habitations have already been covered under one of such scheme.	Executive Eng. DWS, shall immediately take action for calling tenders for balance works since the same shall be exempt from the restriction under model code of conduct.
5	<b>Electricity</b> – An estimate shall have to be prepared for extending electric connection to Nonacherra habitation along the new Kakrachera to Nonacherra road. Also 72 families belonging to the above villages are presently stationed in a re-group village at Rangiatilla. It was demanded that electric post are situated nearby but individual household connection has not provided to these families..	DGM, Teliamura shall prepare an estimate and extension of household connection at Rangiatilla
6	<b>Kakrachera to Nonacherra road</b> – The pace of work was appreciated by both Ministers of PWD and Fishery department. However, it was requested that the road should be made thorough by the 15 <sup>th</sup> of January,13 so that th villagers can attend the Pus-Mella by using a vehicle of transport.	Executive Eng. (PWD), Teliamura may expedite the works. BDO shall also complement the works through MGNREGA labour wages.
7	Fund tie-up for Kakrachera to Nonacherra road in the previous meeting held in the Chairmanship of Hon'ble Minister, Fishery, dated 06.04.2012, it was decided that additional Rs. 80 lakhs of interest fund shall be placed by D.M.(West) for the construction of the Kakrachera to Nonacherra road. Already Rs.1 crore from BADP and 70 lakhs from RD interest fund has been placed to Executive Eng (PWD), Teliamura.	DM (West) shall request to release the balance fund to EE(PWD), Teliamura.
