					SDM shall ensure incorporation of records/Khatians for the allotted land which is still pending in the SDM Office. Khatian should be maintained in the Tehashil Office for conducting various field enquiries, mutation and other such purposes.
					SDO, DWS, Pdl. Ensure to repair immediately the Mark-II of Modibari SB School

5	Visit in connection with other Departments works (inspections, if any, should be clearly indicated)	3	02.07.2012	AWCs under Khowai RD Block	DISE, West to take necessary action against each observation of AWCs and report within the 18.07.2012.
					SDO, Water Resources, Khowai may be asked to take up necessary repair & maintenance of (Mark-II/OHP) within the premise of Surjya Krishna AWC.
					BDOs to take up the work of Kitchen shed repair & maintenance of Basundara AWC.
			18.07.2012	Visit of AWCs & HSC under Uttar Padmabil ADC Village of Padmabil RD Block	DISE may like to issue reminders to all AWW to mark attendance properly and be present in the working hours in the AWC with all records and also take special measures to increase attendance in the centres.
					CMO to comment and ensure immediate opening of the new sub centre of Modibari.
		4	21.07.2012	Visited Ujjan Maidan habitation under East Champachera ADC Village	DEO, Khowai to ensure the 3 teachers of Ujjan Maidan JB School warning them and ensuring that they attend school daily.
There are no underground sources in the habitation. The only solution to the woes of this habitation is use of surface water. <b>EE, DWS shall submit report</b> immediately with respect to storing the mountain stream water and its purification.					

		5	28.07.2012	Visit to Atharamura, ADC Village under Mungiakami	On the land of Birendra Debbarma, it was found there was an old Signboard that Jack fruit plantation had been taken up from Sal Kajag Badol JICA Project in the year 2007-2008 on the same land. DFO, Teliamura DFO, Teliamura may please get the matter enquired regarding the fate of the Plantation	
						The DDA, to ensure supply of Rock Phosphate(RP)/SSP, Vermi Compost and plant protection chemicals.
					Visit to Plantation works of North Gakulnagar ADC village	Sri Rajkumar Debbarma of North Gakulnagar is economically sound and the plantation had been taken up on his own allotted Jote land. His wife was a Government employee. It was not clear as to why such a case was allowed for giving Forest Rights and thereafter Forest Rights benefit. SDM, Teliamura shall enquire into the details and put up report pinning responsibility on officials and non-official who are responsible. The report shall be submitted within 30 <sup>th</sup> August.
				Visited a compact location where 8 beneficiaries had been selected for taking up Tapioca Plantation at Sriram Khara ADC Village	AD, ARDD, Teliamura, to ensure cover of Forest Rights beneficiaries under economic beneficiary within coming 3 years.	

				Visited a location where Orange Plantation had been taken up 3 – 4 years earlier and fruiting had started at Sardu Karkari ADC Village.	SA, Teliamura was requested to monitor the output of the fund being spent on mandays so that actual output is achieved and benefit is ultimately accrued to the beneficiaries.
6	Night Halts made outside HQ.				
7	Tour in connection with development works.	6	06.07.2012	Asharambari ADC Villages under Tulashikar RD Block	<p>DEO, may issue necessary instructions to all teachers to attend the VHND as per scheduled even though it may be beyond school hours.</p> <p>Executive Engineer, DWS may immediately ensure that drinking water is made available through pipeline from the nearest DTW/MDTW at Tulsiram bari JB School.</p> <p>Executive Engineer, Water Resources may examine the <b>LI (No.2) Scheme located outside</b> of the fence should be shifted inside immediately.</p>
				Visited formation of brick soling of road from Nakachara bari AWC to Rajib Colony in Behalabari ADC Village:	The road has already been formed through MGNREGA and other works in the previous years. Only dressing, drainage and cutting in very few places is required before the brick soling work can start. It is possible that the estimate was made without visiting the spot and not with the intension of embezzlement of Government fund. Accordingly I/O and supervising officer were requested to complete the work within 15 days after which the same shall be inspected by Executive Engineer, RD for measurement of the output.

					The Growth Center is to be inaugurated in mid of August. The work of new Agri Store is nearing completion. BDO was requested to ensure that the old Agri Store materials are shifted as soon as possible so that the work of demolition can be completed before the inauguration.
8	Total days on tour	6(six) days
